

Badge & Certificate Pack

Book 1: The Gratitude Garden

A free companion printable for VirtueWise Adventures readers

Every story in The Gratitude Garden ends with a Virtue Badge — a small reminder of the lesson your child just discovered. Print this pack so your reader can color, cut out, and collect all twelve badges as they finish each adventure, then fill in the Certificate of Completion on the final page.

How to Use This Pack

1. Print pages 2–3 and cut out each badge along its circle.
2. After finishing a story, let your child color and collect that badge.
3. Keep badges in an envelope, jar, or pinned to a bulletin board.
4. After all 12 stories, fill in the Certificate of Completion on page 4 with your child's name and today's date — then celebrate!
